## Anti-Bullying Assembly...

### *Callahan School Welcomes Chris Poulous!!*

Chris Poulous will be at Callahan School for a program during our March 9 school assemblies sponsored by the PTF and BOSAP (Burrillville Organization for Substance Abuse Prevention).

Chris' life stories, personal experiences, educational knowledge, and critical thinking questions will keep the students involved, ensuring that long after he leaves, the knowledge will remain.

The presentation focuses directly on Anti-Bullying. Everyone can expect to leave the seminar with the answers to the following questions: Where does bullying originate? What is bullying? Why do people bully? Why are people bullied? Why is bullying harmful? What can I do if I am being bullied? What can I do if someone else is being bullied? What can I do if I am a bully?

We look forward to sharing this exciting program with all Callahan students.
